

UMAIE – 2018 RULES AND PROCEDURES

www.umaie.org

The UMAIE application process is described and the required documents are available on the UMAIE website (www.umaie.org/how_to_apply.htm) or your institutions studio abroad website. The priority application period is set by each UMAIE institution, check with your study abroad office for your institutions internal dates and deadlines. The final deadline to apply is **October 1, 2017**.

No application will be considered without the **FULL NAME AS IT APPEARS/WILL APPEAR ON YOUR PASSPORT**, the January Term Abroad Agreement, and a copy of your valid passport or a copy of your passport application showing your name as it will appear on your passport and your deposit of \$500. If you have any questions, please contact your campus UMAIE Board Member.

SELECTION PROCESS FOR APPLICANTS

Faculty directors will review and screen each application to ensure all prerequisites are met, and that equal access is given to students from all consortium schools. Each applicant will be notified if they are:

- 1) accepted into the course;
- 2) on a waiting list if the course is full.
- 3) not accepted into the course.

For applications received by the priority deadline (as determined by your study abroad office), the UMAIE secretariat will notify each participant by May 5, 2017. Applications received after the priority deadline will be sent to the Faculty directors weekly and students will receive notification on a timely basis. Please be aware that if you are placed on a waiting list, your deposit check will still be cashed upon receipt. In the event a course is filled or cancelled due to low enrollment, students will be contacted regarding a second choice. Students who choose not to transfer to another course will receive a full refund.

PASSPORTS, VISAS AND IMMUNIZATIONS

All applicants must send a **READABLE** copy of a valid and signed passport to their campus UMAIE Board Member as soon as possible but no later than October 20, 2017.

Passports must be valid at least six (6) months beyond your return date. If you do not have your passport by October 20, 2017, and we do not have a readable copy by then, late fees of \$100 will apply and/or possible cancellation from course may be required.

If your course requires a visa it will be stated in the course description. A country specific visa application will be sent to you 2-3 months prior to departure. Visa fees and processing for U.S. citizens is provided by UMAIE within the visa application timeline specified on the visa instruction sheet.

If a visa is required for your course, and you do not have a passport by October 20, 2017, you will be responsible for obtaining a visa on your own so that we do not hold up the group's visa process. Students holding passports from other countries are responsible for obtaining their own visas.

Information regarding recommended and/or needed immunizations can be found at the CDC website: www.cdc.gov/travel/. If you are traveling to a destination that requires an immunization, the UMAIE Secretariat will inform you in a timely manner. Additional information regarding passports, visas and immunizations is available from your campus UMAIE Board Member.

PROGRAM FEE

Per person course price ranges are based on a minimum enrollment for each course. Every effort is made to operate the program within the stated price range. However, if fewer students enroll, costs may be increased or the course cancelled. Individual institutions may assess additional charges. **NOTE:** UMAIE reserves the right to adjust prices due to dollar devaluation, fuel surcharges and general inflation.

The program fee includes round-trip air transportation from Minneapolis-St. Paul (or approved alternate airports) to the course location; airport transfers; visas; transportation to most course activities while abroad; lodging, primarily in twin or triple rooms in hotels, pensions, university dormitories, or family homes (where indicated); continental breakfast daily (exceptions noted on individual course descriptions) and other meals as indicated; tickets for required cultural performances; planned excursions; and administrative costs. **When rail passes or entrance fees are included, they are based on the utilization of youth rates (25 years or under), and a valid student ID will be required to be presented at the entrance. Any additional amount incurred will be the participant's responsibility.**
